penalties if the outstanding principal does not exceed \$20,000 and:

- (1) The Government cannot collect or enforce collection of any significant sum from the debtor, having due regard for the judicial remedies available to the Government, the debtor's ability to pay (see §30.25(b)) and the exemptions available to the debtor under State and Federal law;
- (2) The debtor cannot be located, there is no security remaining to be liquidated, the applicable statute of limitations has run, and the prospects of collecting by offset are too remote to justify retention of the claim;
- (3) The cost of further collection action is likely to exceed the recoverable amount:
- (4) The basis for the claim has proved to be unsupportable; or
- (5) The evidence necessary to prove the claim cannot be produced or the necessary witnesses are unavailable.
- (b) As required by section 61(a)(2) of the Internal Revenue Code, income arising from the discharge in whole or in part of a debt is to be included in the debtor's gross income for the year in which the debt is discharged. The Secretary will report to the Internal Revenue Service, using Form 1099G, any amount over \$600 which becomes uncollectible because the applicable statute of limitations expires or because the Government agrees with the debtor to forgive or compromise a debt. An amount which is in dispute, which is discharged under Title 11 of the Bankruptcy Act or which arises out of an overpayment which was already taxed, will not be reported. See IRS Instructions for Form 1096 and Revenue Procedure 83-48 for further instructions.

§ 30.32 Exceptions.

(a) The Secretary may suspend, rather than terminate collection of a debt that arises out of its activities if the outstanding principal does not exceed \$20,000 and the Government cannot collect or enforce collection of any significant sum from the debtor (e.g., the debtor cannot be located or is financially unable to pay), but the prospects of future collection are promising enough to justify periodic review of the debt, and there is no statute of limita-

tions problem. Interest will accrue under §30.13(a).

(b) Where a significant enforcement policy is involved, the Secretary will, instead of terminating or suspending collection, refer debts to the Department of Justice for litigation.

Subpart E—Referrals to the Department of Justice or GAO

§30.33 Litigation.

- (a) Debts over \$600 that cannot be collected or otherwise disposed of by the Secretary or its agents will be referred to the appropriate United States Attorney (if the amount does not exceed \$100,000) or the Civil Division of the Department of Justice (if the amount exceeds \$100,000) for litigation. Each referral will include all pertinent information, as required by the Claims Collection Litigation Report, including:
- (1) The most current address of the debtor or the name and address of the agent for a corporation upon whom service may be made;
- (2) Reasonably current credit data in the form of a credit report or a financial statement showing reasonable prospects of enforcing collection from the debtor, having due regard for the exemptions available to the debtor under State and Federal law and the judicial remedies available to the Government; and
- (3) A summary of prior collection efforts. Credit data may be omitted if a surety bond, insurance, or the sale of collateral will satisfy the claim in full; or the debtor is in bankruptcy or receivership, or is a unit of State or local government.
- (b) Debts of \$600 or less, exclusive of interest and charges, may be referred for litigation if a significant enforcement policy is involved or the debtor is clearly able to pay and the Government can effectively enforce payment.

§ 30.34 Claims over \$20,000.

The Secretary may compromise or suspend or terminate collection of debts where the outstanding principal exceeds \$20,000 only with the approval of, or referral to, the appropriate United States Attorney (if the debt

§ 30.35

does not exceed \$100,000) or the Department of Justice (if the debt exceeds \$100,000).

§ 30.35 GAO exceptions.

The Secretary will refer to the General Accounting Office (GAO) debts arising from GAO audit exceptions.

§31.1 Purpose and scope.

- (a) *Purpose.* This part prescribes the Department's standards and procedures for submitting past-due, legally enforceable debts to the Department of the Treasury for collection by tax refund offset.
- (b) Authority. These standards and procedures are authorized under the tax refund offset provision of the Deficit Reduction Act of 1984, as amended by the Debt Collection Improvement Act of 1996, codified at 31 U.S.C. 3720A, and the implementing regulations issued by the Department of the Treasury at 31 CFR 285.2.
- (c) Scope. (1) This part applies to all Departmental Operating Divisions and Regional Offices that administer a program that gives rise to a past-due nontax debt owed to the United States, and to all officers or employees of the Department authorized to collect such debt. This part does not apply to any debt or claim owed to the Department of Health and Human Services by another Federal agency.
- (2) Nothing in this part precludes the Department from pursuing other debt collection procedures, including administrative wage garnishment under part 32 of this title, to collect a debt that has been submitted to the Department of the Treasury under this part. The

Department may use such debt collection procedures separately or in conjunction with the offset collection procedures of this part.
